CPNI OPERATING PROCEDURES

Sharp Communication, Inc. is a private one-way paging carrier located in Huntsville, Alabama, offering paging service to local customers.

- No information regarding our customers is sold or given to any third parties for any purpose, unless lawfully subpoenaed for legal reasons.
- Customer pager phone bills make reference only to customer pager phone number and charges for services.
- There is no record made or maintained of time, date, duration or originating number of calls made to a customer pager.
- The paging system only notes the number of times a pager receives a call and is reset on a monthly basis.
